

Dear Community Business Owner,

Sackawa Canoe Club is a non-profit paddling club on First Lake that has been offering families in Sackville the opportunity to learn the sport of canoe-kayak since 1978. Youth age 8 and up have experienced the benefit of participating in a growing sport, while making lifelong friendships in the process. The club offers a variety of programs from fun weeklong camps, to a summer and year-long development program, which helps develop athletes both physically and mentally.

Over the years, our club has helped to build young athletes who have gone on to compete successfully, both on a national and international stage. This success can be attributed to strong coaching staff, who work to create a fun and focused sporting environment for athletes.

The club recently built a new state-of-the-art clubhouse, which will provide athletes the amenities necessary to enhance our already-successful paddling program. The new facility also offers a member's bar, which provides food and regular entertainment. The facility is also available as a rental venue for weddings and other gatherings. Our goal is to create an environment that will be a community gathering space for many years to come.

Sackawa is holding a fundraiser at the club on Saturday, November 25, 2023 and we are asking for your help with a donation of items or gift cards that we can auction off during the event. We also ask that you include business cards and/or brochures with your donation so that we can happily advertise your donation and your business during the event.

Since the club's beginnings, we have relied heavily on volunteers - for governance, fundraising, property maintenance, and regatta coordination. We would like to take this opportunity to thank you in advance for your support of Sackawa Canoe Club and our children. If you are able to make a donation, please contact us: manager@sackawa.ca. If you would like further information on our club, please visit our website at www.sackawa.ca.

Thank you in advance for your support. We look forward to hearing from you.

Sincerely,

Sackawa Canoe Club
